

# SCANNING FOR SENIOR PACKAGING DESIGNER

WHO'S NOT  
AFRAID OF  
**RED, YELLOW**  
AND **BLUE?**

# WHO'S NOT AFRAID OF RED, YELLOW AND BLUE?

**CHALLENGE** You like to be challenged to the highest creative level for a commercial benefit.

**TEAMPLAYER** Working in a team with respect and integrity, taking responsibility as an individual.

**RESPONSIBLE** Dare to be an entrepreneur being communicative and dedicated from start to finish.

**CONCEPT THINKER AND CRAFTSMAN** Conceptual thinking mixed with design excellence is the essence of our quality standard, always looking for prize winning work.

**PERSONALITY** We like refreshing people with character and a never ending creative spirit for a stimulating and inspiring work environment.

**OFFICE** You don't mind to work in an open, light and architectural working space with patio and fantastic lunch.

**DESIGN EXPERIENCE** As a Senior you have at least 7 years of experience as an all round designer with packaging strength, and want to grow to a higher level within more disciplines.

**MULTI-CULTI** Dutch and English are not a problem at all, you like to explore other cultures and you are passionate about design in the broadest sense.

**CLIENT EXPERIENCE** Understanding the business, brand strategy and building a relationship together with clients and other team members is the key to our company.
